

DREXEL'S GOODWIN COLLEGE OF PROFESSIONAL STUDIES MANUFACTURING CAREER ACCELERATOR PROGRAM

ARE YOU READY TO...

Earn competitive
wages?

Start a new
career?

Challenge
yourself?

If you have been disconnected from employment or want to pivot to a new career, Drexel University's **Manufacturing Career Accelerator Program (MCAP)** can give you the competitive advantage to begin a rewarding career in the field.

Meet and interview with local manufacturers that have immediate openings, including Merck, Dietz & Watson, First Quality, CRC, CARDONE Industries, Weber Display & Packaging, PTR Baler & Compactor and many more!

PROGRAM HIGHLIGHTS

- Receive a monetary program stipend
- Attend in-person training sessions, Monday–Friday, 8 a.m.–noon on Drexel's University City Campus
- Receive a complimentary Chromebook for independent learning
- Access support services, such as digital literacy, financial literacy, one-on-one career coaching and more
- Attend meet and greets, interviews with employer partners
- Participate in a NO-COST six-week, industry-specific and skill-building boot camp designed by industry experts
- Earn industry-valued credentials: OSHA 10 and Lean Six Sigma Yellow Belt
- Improve essential digital and professional skills

RECRUITING NOW FOR OUR SPRING SESSION: MAY 1–JUNE 9

To participate in MCAP, you must be a Philadelphia resident, be 18+ years of age, have a high school diploma or GED, and be fully vaccinated against COVID-19.

Diverse candidates, including women and people of color, are strongly encouraged to apply. MCAP is funded by a grant from the Philadelphia Department of Commerce.
